امتحانات رقم (1)

الترم الثاني

Final Exam

1

1 Choose the correct answer:

- ① When you start a new report in Word, you should choose
 - a. Save As
 - b. New Document
 - c. Format
 - d. Delete
- ②  What is the first step to create a new video meeting?
 - a. Sending an email
 - b. Click "End Call" option
 - c. Sharing the screen
 - d. Click "New Meeting" option
- ③ macOS is an operating system from
 - a. Microsoft
 - b. Apple
 - c. Google
 - d. none of them
- ④  E-commerce is the buying and selling of goods and services through
 - a. The Internet
 - b. Traditional mail
 - c. traditional market
 - d. Libraries
- ⑤ A presentation is a collection of used to present information and ideas.
 - a. files
 - b. slides
 - c. printers
 - d. cables

2 Put (✓) or (X):

- ① Flowcharts help classmates understand project steps more easily. ()
- ② Traditional methods help you know the bus arrival time exactly. ()
- ③ It is important to be calm and respectful during a video conference. ()
- ④ HTML gives the web page its shape and structure. ()
- ⑤ Reviews help you evaluate the quality of the product before purchasing ()

(Formulas - voice assistants - Customer Support Services - WhatsApp - Play Store)

- ① An example of a messaging application is
- ② The applications store on Android devices is called
- ③ Siri and Alexa are examples of
- ④ When dealing with a database that contains numbers, you can use
- ⑤ are the services provided by companies to help you solve problems or answer your inquiries.

Final Exam 2

- ① In Windows, you can modify device settings through the
 - a. Play Store
 - b. Control Panel
 - c. macOS
 - d. Desktop background
- ②  What is the function of the "Join" button in video conferencing programs?
 - a. Entering the meeting
 - b. Creating a new link
 - c. Turning off the camera
 - d. Screen sharing

 - a. JavaScript
 - b. Java
 - c. HTML
 - d. Python
- ④  What tools can be used to create an attractive and visually appealing presentation?
 - a. animations
 - b. shapes
 - c. images
 - d. all of them
- ⑤  An example of a messaging application is
 - a. Word
 - b. Paint
 - c. Excel
 - d. WhatsApp

2 Put (✓) or (X):

- ① To customize your flowchart, you must first click on the flowchart itself. ()
- ② Electronic payment is more secure than using cash. ()
- ③ If you are a participant in a meeting, you should turn off your camera and microphone when you are not using them. ()
- ④ Artificial intelligence is the technology that enables machines to use human traits in problem-solving. ()
- ⑤ To ensure a company is ethical, you should review its official website. ()

3 Choose from column (A) what suits it in column (B):

Column (A)	Column (B)
① SmartArt	a. is a technology that enables machines to use human-like traits to solve problems.
② Microsoft Word	b. is called a Field which represents the type of information in Excel.
③ Artificial Intelligence	c. is the process of buying and selling products and services online.
④ E-commerce	d. ready-to-use graphics in PowerPoint help showing information visually using a series of steps.
⑤ column	e. is one of the most popular word processing programs in the world.

① ② ③ ④ ⑤

Final Exam

3

1 Choose the correct answer:

- ① It is a good idea to make a of your files to keep them safe.
a. symbol b. backup c. pop-up d. bone
- ②  Examples of operating systems for smartphones include
a. Android b. iOS c. Windows d. both a and b
- ③  The writing area in Word is the place where we
a. Change language b. Write text
c. Save files d. Display images only
- ④ To change the font color and size in Word, you use the
a. Screen b. Printer c. Toolbar d. Mouse
- ⑤  What is the process that enables you to obtain a copy of the meeting after it ends?
a. Instant messaging b. Joining the meeting
c. Screen sharing d. Conference recording

2 Put (✓) or (X):

- ① A field represents all information about one item. ()
- ② JavaScript adds "life" to the page by creating pop-up windows. ()
- ③  Technology contributes to increasing carbon emissions in the environment. ()
- ④ Buying a bond means you are lending money to a company. ()
- ⑤ ICT creates job opportunities. ()

3 Complete the following sentences using the words below:

(bonds - Apple - Row - Control Panel - Alexandrina Library)

- ① Online libraries such as are examples of Educational Service Providers.
- ② To change the desktop background, we use
- ③ Investing in a company's means that you Lend money to the company.
- ④ macOS is an operating system from
- ⑤ is called a Record, and it represents all information about one item in Excel.

Final Exam

4

1 Choose the correct answer:

- ①  To change the desktop background, we use
 - a. Keyboard
 - b. Control Panel
 - c. Recycle Bin
 - d. Browser
- ② Applications on Android devices are downloaded from
 - a. App Store
 - b. Play Store
 - c. Windows
 - d. Control Pane
- ③ is a popular program used for video conferencing.
 - a. Microsoft Teams
 - b. Google Meet
 - c. Zoom
 - d. all of them
- ④  From messaging service that allows sending images
 - a. Word
 - b. WhatsApp
 - c. Paint
 - d. Excel
- ⑤ Google Drive and OneDrive are examples of
 - a. programming languages
 - b. cloud storage
 - c. corrupted files
 - d. web structures

2 Put (✓) or (X):

- ① Online booking saves effort and helps organize time. ()
- ② Artificial Intelligence depends on algorithms to learn and solve problems. ()
- ③ Email is an informal way of communication used between friends only. ()
- ④ The Control Panel is used to change settings in Windows. ()
- ⑤ If your device battery is the problem, you may need to replace it. ()

3 Choose from column (A) what suits it in column (B):

Column (A)	Column (B)
① Operating System	a. is a collection of slides used to present information and ideas.
② Microsoft Excel	b. Equal parts into which the ownership of a company is divided.
③ Facial Recognition	c. is responsible for running different computer programs.
④ presentation	d. Used to verify your identity and unlock your phone
⑤ Stocks	e. is used to create simple databases.

① ② ③ ④ ⑤

Final Exam

5

1 Choose the correct answer:

- To stay safe online, you should avoid opening links.
 - safe
 - educational
 - suspicious
 - known
- 📖 If you want to calculate the sum of the numbers in cells C2, C3, and C4, what is the correct formula?
 - C2+C3+C4
 - =SUM(C2-C4)
 - =C2+C3+C4
 - C2C3C4
- 📖 What are the steps or recipes that artificial intelligence relies on to learn and solve problems called?
 - Hypotheses.
 - Algorithms.
 - Records.
 - Statistical models

- 4 GIMP is an abbreviation for Image Manipulation Program.
 a. General b. GNU c. Global d. Google
- 5 To avoid waiting, ICT tools send you about the arrival time of the vehicle.
 a. notifications b. emails c. gifts d. books

2 Put (✓) or (X):

- 1 The operating system cannot control the computer mouse. ()
- 2 If your questions to a chatbot are not clear, you will not receive accurate answers. ()
- 3 Waiting at the bus stop without knowing the arrival time is a traditional method. ()
- 4 Changing a video frame color can make it smoother. ()
- 5  To install a new program, you must follow the installation steps. ()

3 Complete the following sentences using the words below:

(A partner - chatbots - Online booking - flaws - Settings)

- 1 Enhancing photos means corrects and restoring original colors.
- 2 On smartphones, you can change settings through
- 3 When you buy a company's share, you become..... in that company.
- 4 helps you organize your time and request a service without going to its place.
- 5 Chat windows on websites that automatically respond to you are known as

Final Exam

6

1 Choose the correct answer:

- ① A is a way to store and organize large amounts of data inside a computer.
 a. Printer b. Database c. Cable d. Router
- ②  One of the common tools you learned that helps you organize data in Excel is
 a. Insert picture b. Sort c. Add WordArt d. Draw a circle
- ③  Which ethical principle prevents artificial intelligence from making decisions based on personal opinions?
 a. Beneficence. b. Responsibility.
 c. Unbiased d. Transparency.
- ④ Motion blur is an example of
 a. LAN b. merging c. correcting flaws d. special effects
- ⑤ helps you organize your time and request a service without going to its place.
 a. Driving b. Online booking
 c. Cash payment d. Waiting

2 Put (✓) or (X):

- ①  Two images can be merged into one through photo editing. ()
- ② You can only install programs on a computer from a CD. ()
- ③  Images can be inserted into a document through the "Insert" menu. ()
- ④ Clicking on the application icon opens the program after installation. ()
- ⑤  The most important part of an email that helps the recipient quickly know its purpose is the subject line. ()

3 Choose from column (A) what suits it in column (B):

Column (A)	Column (B)
① ESPs	a. is a formal and professional way of communication.
② JavaScript	b. make the image look old or to add special effects such as motion blur..
③ Email	c. are organizations that provide educational services for students

- 1 Help you formulate your writings and send simple messages.
- 2 are tools that allow people in different places to communicate with each other using audio and video in real time.
- 3 the spaces where we write text and add images in PowerPoint.
- 4 is a way to store and organize large amounts of data and information inside a computer.
- 5 combine two different images to become one image, which is useful in creating presentations.

Final Exam

8

1 Choose the correct answer:

- The operating system controls device components like the
 a. internet b. table c. keyboard d. chair
- Chat windows on websites that automatically respond to you are known as
 a. voice assistants b. email filters
 c. chatbots d. facial recognition
- Programming languages are a set of used to give clear instructions to computer programs.
 a. humans and machines b. rules and symbols
 c. wires and cables d. power sockets
-  Storing with large amounts of information in databases is done in the
 a. radio b. computer system
 c. old mobile phone d. camera
-  If a booking app sends you a message about the departure time, this service is called
 a. Automatic notifications b. Central heating
 c. Photography d. Smart lighting

2 Put (✓) or (X):

-  Slides in PowerPoint are the spaces where we write text and add images. ()
- You cannot insert tables or headings in a Word document. ()
- Waiting at the bus stop without knowing the arrival time is a traditional method. ()
- Chatbots are real people who answer your inquiries. ()
- Modern editing programs use AI to help adjust image colors. ()

3 Choose from column (A) what suits it in column (B):

Column (A)	Column (B)
① Messaging services	a. prevent dangerous or unwanted messages from reaching your inbox.
② GIMP	b. is a set of detailed steps that tells the computer what to do.
③ Email filter	c. is programming language used to build the structure of web pages
④ HTML	d. help us exchange messages and files quickly via the internet
⑤ algorithm	e. is an abbreviation for GNU Image Manipulation Program.

① ② ③ ④ ⑤

Final Exam

9

1 Choose the correct answer:

- When adjusting the sound on a device, we use

a. Printer b. Microphone c. Settings d. Recycle Bin
- Educational Service Providers can provide students with

a. books b. online training materials

c. gaming software d. both a and b
- Think of as the bones that give the web page its shape.

a. HTML b. JavaScript

c. External drive d. Power adapter

- 4  One benefit of online booking in everyday services is
a. Saving time and effort
b. Increasing waiting time
c. Excessive use of paper
d. Complicating procedures
- 5 Excel can be used for
a. Sorting
b. Mathematical operations
c. Filtering
d. All of them
- 6  Artificial intelligence makes machines use logic and in problem-solving:
a. Handwriting.
b. Decision-making.
c. Fast travel.
d. Automatic printing.
- 7  In PowerPoint, the bar that contains commands such as changing font size is
a. File bar
b. Animation bar
c. Status bar
d. Home tab

2 Put (✓) or (x):

- ① E-commerce is the process of buying and selling goods and services online. ()
- ② Smart applications show the cost of the service after it ends only. ()
- ③  The operating system on Apple mobile devices is iOS. ()
- ④ You use the "Insert" menu to save your file with a name. ()
- ⑤ In a professional email, you should clearly state the purpose of your contact. ()
- ⑥ Open-source programs allow anyone to modify their tools. ()
- ⑦ "SmartArt Design" and "Format" tabs are always visible, even if you don't click the chart. ()
- ⑧ Responsibility means the designer must correct the AI if it makes a mistake. ()

Final Exam

10

1 Choose the correct answer:

- 1  To add a new image to a slide, we use the tab.
a. Animations b. Design c. Insert d. View
- 2 Chatbots are designed to respond to questions
a. via mail b. online
